- Crystal-clear reception and no dropped calls
- Switching is easy, keep your existing phone number

\*Offer expires April 26, 2009. Available to residential customers in Cox Arizona service areas. May not be available with other offers. The \$49.99 Cox Bundle includes Cox Basic Cable, Cox Basic Internet and one phone line with flat-rate local calling. A monthly discount of \$3.66 will appear as a credit off Cox Cable service. Offer requires twelve-month agreement and if any one or more of the required services are disconnected or downgraded for any reason, an early termination fee ("ETF") of \$50 will apply and will be reduced by \$4.17 for each full month that you complete. Installation fees, equipment rental, taxes and other surcharges not included. Other restrictions may apply. All rates subject to change. Deposit may be required. Other Cox Bundle packages are available. **Cox Digital Cable** - Cox limited basic at a minimum, digital receiver or CableCard rental, and Digital Gateway required for Digital Cable. If you own a One-way Digital Cable Ready (DCR) TV or other display device that is CableCARD™ compatible, you may lease either a CableCARD or a digital set-top receiver in order to receive Cox Digital Cable. In order to receive Interactive TV services offered by Cox, such as the Interactive Programming Guide (IPG), OnDemand, Pay-Per-View, and all digital programming options, you must rent a digital receiver. If you wish to rent a CableCARD in lieu of a digital receiver, you must obtain the CableCARD from Cox. Cox Basic service required for local HD channels. Cox Digital Cable and Expanded [Standard] service required for cable network HD channels. Cox Digital Cable required for premium HD channels. DVR and On Demand. DVR receiver and remote rental, and a television that supports composite video or s-video connections required for DVR service. Monthly DVR service fee applies. On Demand and MusicChoice channels cannot be recorded. Available DVR recording space varies. An HDTV set and HDTV receiver rental required for HD Service. HD DVR required for HD recording. **Cox Digital Telephone** - Modem equipment required. Modem uses household electrical power to operate and has backup battery power provided by Cox if electricity is interrupted. Telephone service, including access to e911 service, will not be available during an extended power outage or if the modem is moved or inoperable. Telephone services provided by Cox Arizona Telcom, LLC. **Cox High Speed Internet** - Cable modem required. For best speed performance, use of Cox approved cable modem is recommended. The McAfee services, VirusScan, Personal Firewall Plus, SecurityCenter, SiteAdvisor and Privacy Service, are included with your subscription to Cox High Speed Internet and will automatically terminate upon termination of your Cox High Speed Internet service. Cox cannot guarantee the intended results from the McAfee services or that the McAfee software will be error-free and free from interruptions or other failures. The McAfee services and features are subject to change. Not available for Apple users. McAfee, VirusScan, and SiteAdvisor are trademarks or registered trademarks of McAfee, Inc., and/or its affiliates. Actual speeds will vary. Cox cannot guarantee uninterrupted or error-free service or the speed of your service. PowerBoost is only available with Preferred and Premier services and temporarily increases your download speeds when extra bandwidth is available. PowerBoost is a registered trademark of Comcast Corporation, used with permission. #1 Internet provider based on a telephone survey of residential households with Internet service in Cox Arizona service area conducted from January 2008 – June 2008. ©2009 CoxCom, Inc. dba Cox Communications Arizona.
