

Gutter Helmet™ - The First. The Best. The #1 Gutter Protection System in the World!

Gutter Helmet created and pioneered the professionally installed gutter protection industry more than twenty years ago. Since Gutter Helmet was introduced, hundreds of thousands of safe and satisfied homeowners have joined the Gutter Helmet family with our gutter protection system! No one else even comes close when it comes to gutters, gutter protection and gutter covers!

The Gutter Helmet features a free floating gutter attachment system that creates a seal that prevents seepage, rot, mold, and water damage in gutters. It also dramatically outlasts traditional rain gutters as it protects your home against hazards associated with bacterial mold and fungus growing in your gutters.

Gutter Helmet is the only gutter system with the patented PermaLife™ coating that resists dirt build-up, fading, chalking and corrosive acid rain...and meets U.S. Army military specs when it comes to gutter protection and gutter covers!

It is the only residential gutter cover system that is manufactured with a patented metal texturing process that increases the measurable thickness and strength of every gutter panel, while reducing weight and stress, AND increases surface tension (performance) over similar smooth products (every other competitor); features a patented nose-forward design (with NO vertical openings) to keep leaves and debris out of the gutter; and features patented flow-limiting ribs that strengthens the gutter system and causes rainfall to slow and sheet from roof.

Seagate Roofing and Foundation Services is the authorized Gutter Helmet dealer for Northwest Ohio and Southeast Michigan. At Seagate Roofing and Foundation Services, we take pride in the reputation we have established over the past 30 years from our Gutter Helmet Dealership, Owens Corning Platinum Preferred Contractor Status to our A+ Accredited Business BBB Rating and reviews by our customers. High quality materials and professional service have always been our primary goals. Thousands of satisfied Seagate Roofing customers across Northwest Ohio and Southeast Michigan are a testament to our quality home remodeling and home improvement services with each and every residential and commercial renovation project we've installed and completed.

Contact the experienced home professionals at Seagate Roofing and Foundation Services for all of your gutter protection, gutter, Gutter Helmet, roof repairs, basement waterproofing, foundation leaks and cracks, and more at (419) 536-0027 and ask for your FREE, No Obligation home remodeling estimate.
